Description

The 52mm valve plug is an essential component for the proper functioning of various drainage systems in the home. Designed to fit sinks, bathtubs, bidets and washbasins, this plug offers a practical and efficient solution to prevent the passage of unwanted water, ensuring a tight and secure closure.

- Measurements: 52 mm in diameter and 15 mm in height, providing a precise fit in most standard valves.
- Compatibility: Suitable for use in sinks, bathtubs, bidets and washbasins, making it a versatile component for different plumbing installations.
- Color: Black, a neutral tone that integrates easily with most decoration styles and finishes in bathrooms and kitchens.
- Functional design: Includes a hole designed to insert a chain, facilitating its handling and preventing accidental losses.
