

Product sheet

Source: 90° Brass Tee - 50mm

Brand: GIBALTO

Reference: GIB 008941

90-degree T-connector, made of brass using a hot-stamping process. Its robust design allows for optimal performance in fluid conduction systems, ensuring strength and durability over a wide temperature range, making it suitable for various industrial applications.

[View product online](#)**Description**

The 90° BRASS TEE - 50MM is an essential component in piping systems, designed to offer an efficient and durable connection in installations that require a 90-degree angle. Manufactured with high-quality materials, this fitting guarantees optimal performance in various working conditions.

- Angle: 90 degrees
- Material: Brass
- Diameter: 50 mm
- Working temperature: from -10°C to 90°C
- Manufacturing process: Hot stamping
- EAN13: 8432453089417

Specifications

EAN	8432453089417
Material	Latón
