Description

The straight rod overhead pull is designed to offer an efficient and durable solution in the field of plumbing replacements. Manufactured with high-quality materials, this component guarantees optimal performance and a long service life, adapting to various technical and aesthetic needs.

- Material: ABS chrome, which provides corrosion resistance and a shiny finish.
- Design: Straight rod, which facilitates its integration into different plumbing systems.
- Use: Especially indicated for replacements in plumbing installations, ensuring compatibility and functionality.
- Dimensions: Designed to fit a wide range of standard applications.
- Resistance: High durability against humid conditions and frequent use.

Specifications

Colour	Cromo
EAN	8432453009705
Material	ABS
