Description

The 200-meter, 6mm diameter nylon awning cord is a durable and versatile solution for a variety of outdoor applications. Designed to perform optimally in demanding conditions, this cord combines flexibility and strength, ensuring a long lifespan even in outdoor environments.

- It will not rot or float, ensuring its integrity and functionality in wet or aquatic environments.
- It offers great flexibility and softness, making it easy to handle and apply in different contexts.
- Weather resistance, ensuring a long lifespan and maintenance of its properties over time.
- Good grip, providing safety and stability in use.
- It allows to absorb impact forces efficiently, reducing the risk of breakage or damage.
- Available in 200-meter reels, offering a sufficient quantity for large-scale projects.

Specifications

EAN	8432453007633
Material	Nylon
