## Description

The Anko S3 Basic safety boot in size 40 is designed to offer protection and comfort in demanding work environments. Made with high-quality materials, this boot guarantees durability and resistance, meeting the most rigorous safety standards.

- Water-repellent S3P leather outer provides an effective barrier against moisture.
- Steel toe cap for optimal protection against impacts and compression.
- Steel puncture-resistant insole designed to prevent injuries from sharp objects.
- Sturdy and durable bi-density PU sole offers antistatic properties and is resistant to hydrocarbons and SRC.
- Breathable lining with anti-abrasion inserts improves the comfort and durability of the footwear.
