Description

The ANKO S3 Basic safety boot in size 43 is designed to offer protection and comfort in demanding work environments. Made with high-quality materials, this boot guarantees durability and resistance to various working conditions.

- Water-repellent S3P leather upper provides an effective barrier against moisture.
- Steel toe cap provides impact and compression protection.
- Steel puncture-resistant insole designed to prevent injuries caused by sharp objects.
- Sturdy and durable bi-density PU sole ensures excellent traction and stability. It is antistatic and hydrocarbon resistant, complying with SRC regulations.
- Breathable lining with anti-abrasion inserts improves comfort and prolongs the life of the footwear.
