Description

The Anko S3 Basic safety boot in size 44 is designed to offer protection and comfort in demanding work environments. Made with high-quality materials, this boot combines strength and functionality, ensuring optimal performance in a variety of conditions.

- Water-repellent S3P leather outer provides an effective moisture barrier.
- Steel toe cap provides impact and compression protection, meeting safety standards.
- Steel puncture-resistant insole designed to protect the foot from sharp objects on the ground.
- Sturdy and durable bi-density PU outsole ensures durability and traction on slippery surfaces. It is also antistatic and hydrocarbon resistant, complying with SRC regulations.
- Breathable lining with anti-abrasion inserts ensures comfort and reduces internal wear of the boot.
