Description

The ANKO S3 Basic safety boot in size 45 is designed to offer protection and comfort in demanding work environments. Made with high-quality materials, this boot guarantees durability and resistance against various working conditions.

- **Outer:** S3P leather, water-repellent, which provides an effective barrier against moisture.
- **Toe cap:** Steel, designed to protect the toes from impacts and compression.
- **Insole:** Anti-puncture steel, which offers an additional layer of security against sharp objects.
- **Sole:** Bi-density PU, robust and resistant, with antistatic properties and resistance to hydrocarbons. Complies with SRC regulations to ensure optimal grip on slippery surfaces.
- **Lining:** Breathable, with anti-abrasion inserts that improve durability and comfort during prolonged use.
