Widia Porcelain Drill Bit - 4x85mm, SESA TOOLS

Brand: SESA TOOLS

Reference: GIB 011368

Advanced drilling tool, ideal for working with hard, durable surfaces. Its optimized design allows for efficient penetration into materials such as porcelain and granite, ensuring durability and precision with every use. It is a reliable choice for professionals who require high-quality results in their projects.

Description

The 4x85 mm Widia Porcelain drill bit is designed to offer exceptional performance in drilling high-hardness materials. Its robust construction and specialized design make it suitable for a wide range of applications in the construction and renovation fields.

- Premium carbide tip: ensures greater durability and wear resistance.
- Special geometry: optimizes drilling efficiency and reduces the risk of breakage.
- Excellent welding: ensures a solid bond between the tip and the drill bit body, improving stability during use.
- Compatibility with high-hardness materials: porcelain, tile, stone, granite, and slate.
- Suitable for medium-hardness materials: cement, terrazzo, marble, and terracotta.
- Recommended use: operate at low revolutions for a diameter of 4 mm, which maximizes precision and minimizes wear.
- EAN13 code: 8426251589576, for easy identification and inventory management.
