Description

The natural leather hammer holder is an essential tool for those looking to combine functionality and durability in their work equipment. Made from high-quality materials, this accessory is designed to provide a secure and sturdy holder for hammers, making them easy to carry and access while working.

- Material: Full grain cowhide leather, ensuring strength and longevity.
- Dimensions: Width 7cm and height 11.5cm, providing a proper fit for most hammers.
- Color: Brown, offering a classic and professional look.
- Weight: 50 grams, making it lightweight and comfortable to carry.
- Riveted: Uses a 4x12x8 self-piercing rivet, ensuring a sturdy and long-lasting fix.
- Certification: CE marked, meeting European quality and safety standards.

This hammer holder not only stands out for its practical design, but also for its ability to withstand daily wear and tear. Its full-grain cowhide construction not only provides an attractive appearance but also ensures the product maintains its shape and functionality over time. Additionally, the self-piercing riveting ensures the hammer holder remains securely fastened, even under heavy use.
