**Leather Clamp Holder - High resistance, ergonomic design, BRAND.**

Brand: GIBALTO

Reference: GIB 006323

This natural leather accessory combines high durability and an ergonomic design, ideal for use in professional settings. Its full-grain cowhide construction ensures durability, while its brown finish adds a classic touch. Its design optimizes functionality and comfort for everyday work.

[View product online](#)**Description**

The natural leather pliers holder is an accessory designed to offer durability and resistance, ideal for those looking for a quality product made with premium materials. This pliers holder is made of full-grain cowhide, which guarantees a soft texture and an elegant finish. Its compact and functional design makes it a practical option for storing and transporting pliers.

- Material: Full-grain cowhide
- Width: 7 cm
- Height: 11.7 cm
- Color: Brown
- Weight: 50 grams
- Riveting: Self-piercing rivet 4x12x8
- CE marked

This pliers holder has been designed with comfort and security in mind, ensuring that your tools stay firmly in place. The self-piercing rivet provides a sturdy hold, while the CE marking ensures it meets European quality and safety standards. To keep the tong holder in optimal condition, we recommend avoiding the use of chemicals for cleaning. Instead, applying a thin layer of horse grease with a sponge once a year will help preserve the leather and maintain its suppleness and appearance. It is important to store the tong holder in a cool, dry place, away from moisture and extreme temperatures, to ensure its longevity and functionality.
