Angular/Semicircular Screen Bearing 10 units - Semicircular 24mm, ACCUMASTER.

Brand: ACCUMASTER

Reference: GIB 011716

This bearing is designed for angular and semicircular partitions, offering a 22 mm diameter. Its construction guarantees optimal performance in specific applications, ensuring durability and functionality in environments where precision and strength are required. Ideal for installation and maintenance projects.

[View product online](#)**Description**

The angular or semicircular shower screen bearing is an essential component designed to ensure smooth and efficient movement in shower screen systems. This bearing is specially manufactured to fit semicircular structures, providing stability and durability in daily operation.

- Bearing type: Angular/Semicircular
- Bearing diameter: 24 mm
- Quantity in package: 10 pieces
- EAN13 code: 8432453117165
