Description

The 20mm R03 front screen bearing is a technical solution designed to ensure smooth and efficient sliding in screen systems. This component is essential for the correct operation of sliding doors in bathroom environments, ensuring durability and resistance in daily use.

- Bearing diameter: 20 mm
- Model: R03
- Package quantity: 10 units
- Material: High wear resistance
- Compatibility: Designed for front screens
- Installation: Easy and quick, without the need for specialized tools
- Sliding: Smooth and silent, optimizing the user experience
- Durability: Manufactured to withstand humid conditions and frequent use
