Description

The 23cm Anti-Drip Roller with Non-Slip Handle is an essential tool for any painting project. Designed for superior performance, this roller is made of polyester, ensuring a smooth and even application on various surfaces. Its anti-drip design minimizes dripping, allowing for cleaner and more efficient work, ideal for walls, ceilings, and smooth or semi-smooth surfaces. The ergonomic, non-slip handle provides a comfortable grip, making it easy to use for extended periods without causing hand fatigue. Presented in an individual blister pack, this roller is a practical and functional option for professionals and DIY enthusiasts.
