Description

Fast-drying white glue is a versatile and efficient adhesive, designed to provide strong, long-lasting bonds on a wide variety of materials. Its polyvinyl acetate emulsion-based formulation ensures optimal performance in industrial and craft applications. This product is especially suitable for work in the woodworking industry, as well as for projects involving cardboard, paper, fabric, and cork. Its transparent finish ensures that the joints are discreet and clean, maintaining the aesthetics of the project.

- Composition: Polyvinyl acetate emulsion.
- Capacity: 125 grams.
- Quick drying for greater work efficiency.
- Transparent finish that does not alter the appearance of the materials.
- EAN13: 8432453019308.
- Suitable for wood, decorative laminates, cardboard, paper, fabric, cork and more.
- High quality that guarantees strong and long-lasting joints.
