Description

The 2" Universal Drum Adapter is a practical solution for emptying and handling 1000 liter drums. Designed for efficient and safe use, this adapter is characterized by its simplicity and functionality, allowing a quick and secure connection thanks to its female thread design.

- Material: Polypropylene (PP), known for its strength and durability.
- It incorporates an O-ring that guarantees tightness, preventing leaks during use.
- Compatible with sizes ranging from Ø 1-1/2" to Ø 2", offering versatility in its application.
- Easy installation, allowing for quick and hassle-free assembly.
