Description

The 16mm end choke is an essential accessory for irrigation systems, specifically designed to efficiently interrupt water flow. Manufactured from high-quality materials, this component guarantees optimal performance in various weather conditions.

- Material: Polyethylene (PE)
- Resistant to high and low temperatures
- Easy installation
- Color: Black
- Available in various sizes
- Presented in a bag of 100 units
- EAN13: 8432453012033
