Description

The 85mm gasket is an essential component for ensuring leak-tightness in a variety of industrial and domestic applications. Manufactured from high-quality materials, this flat gasket offers an effective solution for preventing leaks and maintaining the integrity of the systems where it is installed.

- Diameter: 85 mm
- Type: Flat gasket
- Material: EPDM (Ethylene Propylene Diene Monomer), known for its excellent resistance to weathering, ozone, and UV rays
- Availability: Available in two different diameters to suit different needs
- EAN13 Code: 8432453029406
