

Product sheet

Threaded nipple - 3/4", ABRISA

Brand: ABRISA

Reference: GIB 001308

Accessory designed to facilitate connection in irrigation systems, ideal for drip and water conduction applications. Made of polypropylene, it offers durability and strength, and is compatible with various diameters to adapt to different installation configurations. Its threaded design ensures secure and efficient assembly.

Description

The 3/4" threaded male fitting is an essential component in the installation of irrigation systems, specifically designed to facilitate the connection of different elements in drip irrigation and water conduction systems. Manufactured with high quality materials, this accessory guarantees durability and resistance in various conditions of use.

- Material: Polypropylene (PP), known for its corrosion resistance and durability.
- Diameter: 3/4", with options available from Ø1/4" to Ø3" to adapt to various installation needs.
- EAN13: 8432453013085, for easy identification and inventory management.

Specifications

EAN	8432453013085
Thread	3/4"
