Reduced Threaded Plug - 3/4" - 1/2", ABRISA

Brand: ABRISA

Reference: GIB 001305

Threaded polypropylene connectors, ideal for drip irrigation and water supply systems. Their design allows for efficient integration of pipes of different diameters, facilitating installation in agricultural and gardening environments and ensuring optimal water distribution performance.

Description

The reduced threaded nipple is an essential component in the installation of irrigation systems, specifically designed to facilitate the connection of different pipe diameters. This accessory is especially useful in drip irrigation systems and in the conduction of water for irrigation, ensuring a secure and efficient connection between the system components.

- Material: Polypropylene (PP), known for its strength and durability in irrigation applications.
- Available diameters: From Ø3/4" x 1/2" to Ø3" x 2-1/2", offering versatility to adapt to various installation needs.
- EAN13: 8432453013054, for easy identification and inventory management.

Specifications

EAN	8432453013054
Thread	3/4"
