1" Gasket Sleeve, ABRISA

Brand: ABRISA

Reference: GIB 006413

Sleeve designed for use in solenoid valve systems, made of durable, black material. Its threaded design ensures a secure and efficient connection, ideal for applications requiring a 1-inch diameter, ensuring optimal performance in industrial environments.

Description

The 1" O-ring is an essential component for the installation and maintenance of irrigation systems and other applications requiring the use of solenoid valves. Designed to provide a secure and efficient connection, this fitting ensures optimal performance under a variety of operating conditions. Its threaded design makes installation easy and ensures a tight seal, minimizing the risk of leaks.

- Diameter: Ø1"
- Color: Black
- Fitting Type: Threaded
- Compatibility: Solenoid Valves
- Material: Corrosion and wear resistant

Specifications

EAN	8432453064131
Thread	1"
