Description

The 7mm professional hole punch is a hand tool designed to facilitate the drilling and creation of holes in polyethylene (PE) pipes. This device is especially useful in the installation of irrigation systems, allowing the precise insertion of drippers. Its ergonomic design and advanced functionality make it a reliable choice for jobs that require precision and efficiency.

- Manual hole punch: Designed to pierce PE pipes with ease.
- Drilling diameter: 7 mm, suitable for inserting drippers in irrigation systems.
- Non-slip plastic handle: Provides a secure and comfortable grip during use.
- Trigger to eject excess plastic: Facilitates cleaning and maintenance of the work area.
- Available in 5 different diameters: Offers versatility for different drilling needs.
- EAN13: 8432453012569
