Description

The 2.6mm manual hole punch is a tool designed to facilitate drilling and creating holes in polyethylene (PE) pipes, especially useful in irrigation systems. Its ergonomic design and precise functionality make it an efficient choice for installation and maintenance tasks in agricultural and gardening environments.

- Drilling diameter: 2.6 mm.
- Tool material: heavy-duty steel for greater durability.
- Non-slip plastic handle provides a secure and comfortable grip during use.
- Integrated trigger for efficient ejection of excess plastic after drilling.
- Available in five different diameters to suit a variety of drilling needs.
- EAN13 code: 8432453030396.
