Description

The Layflat connector is an essential component for irrigation systems, specifically designed to efficiently connect the hose to the irrigation tape. Made with high-quality materials, this piece guarantees optimal performance in various conditions of use.

- Connecting piece between the hose and the irrigation tape.
- Layflat type connector - Irrigation tape.
- Material: polypropylene (PP).
- Maximum tightness.
- Resistant to humidity conditions during irrigation.
- Dimensions: 50x10x50 mm.
