Fitting Nut - 25mm, ABRISA

Brand: ABRISA

Reference: GIB 006659

Replacement nut designed for polyethylene unions, made of high-strength material. Its variety of diameters allows it to adapt to a variety of installations, ensuring secure and long-lasting connections in plumbing and irrigation systems, where reliability is essential for optimal performance.

Description

The 25mm fitting nut is an essential component for replacing polyethylene (PE) fittings, designed to ensure a secure and efficient connection in piping systems. Made from high-quality materials, this nut offers durability and resistance in various industrial and domestic applications.

- Diameter: 25 mm
- Material: Polyethylene (PE)
- EAN13: 8432453066593
- Available in six different diameters to suit different needs
- Designed for polyethylene fittings, ensuring a firm and long-lasting connection
- Resistant to corrosion and adverse environmental conditions
- Easy to install and maintain, optimizing working time
