Description

The flat cable clip is an efficient solution for securing cables in electrical and telecommunications installations. Designed to secure flat cables discreetly and securely, this clip combines functionality and durability in everyday use.

- Material: Made of PVC, a material known for its strength and flexibility, ensuring a long life and optimal performance in various conditions.
- Anchorage: Incorporates a steel nail that provides a firm and secure anchor, ensuring that the cable remains in place without the risk of displacement.
- Color: Available in white, allowing aesthetic integration into most environments, maintaining a clean and tidy appearance.
- Measurements: Offered in two different sizes to adapt to various installation needs, providing versatility in its application.
- EAN13: 8432453066937, a unique identification code that facilitates its management and control in inventories.
