Description

The Desk Lamp Switch with Screw Cap is a practical and efficient solution for controlling desk lamps and other lighting devices. Designed for durability and ease of use, this switch combines functionality with a discreet design that blends easily into any environment.

- Color: Available in black and white, allowing for easy combination with different interior styles.
- Material: Made of thermosetting material, which guarantees heat resistance and a long service life.
- Connection: Equipped with a half-turn screw cable connection system, facilitating quick and secure installation.
- Design: The screw cap provides a firm and secure fit, preventing accidental disconnections.
