Description

The I+N 36mm 20A miniature circuit breaker is an essential device for protecting electrical installations and appliances. Designed for safety and efficiency, this switch is capable of protecting against short circuits and overloads in single-phase or two-phase systems. Its compact design and advanced functionality make it a reliable choice for maintaining the integrity of electrical installations.

- Rating: 20A
- Dimensions: 36mm wide
- Type: Double-pole
- Protection: Against short circuits and overloads
- Compatibility: Single-phase and two-phase installations
- EAN13 Code: 8435240704470

Specifications

Rated current (A)	20
EAN	8435240704470
