Description

The I+N 36mm 25A miniature circuit breaker is an essential device for protecting electrical installations and appliances. Designed for safety and efficiency, this switch is capable of protecting against short circuits and overloads in single-phase or two-phase systems.

- Rating: 25A
- Dimensions: 36mm wide
- Type: Two-pole
- Protection: Against short circuits and overloads
- Applications: Single-phase and two-phase installations
- EAN13 Code: 8435240704487

Specifications

Rated current (A)	25
EAN	8435240704487
