Description

The I+N 36mm 40A miniature circuit breaker is an essential device for protecting electrical installations and appliances. Designed for safety and efficiency, this switch is suitable for use on single-phase or two-phase systems, providing reliable protection against short circuits and overloads.

- Rating: 40A
- Dimensions: 36mm wide
- Type: Double-pole
- Function: Short circuit and overload protection
- Application: Single-phase and two-phase installations
- EAN13 Code: 8435240704524

Specifications

Rated current (A)	40
EAN	8435240704524
