Description

The E27 screw-in lamp holder is an essential component for installing light fixtures that require a secure and efficient mount for E27-type bulbs. Designed for durability and a precise fit, this washer-type socket is suitable for a wide variety of applications in residential and commercial settings. Its robust construction and functional design ensure reliable performance and easy installation.

- **Compatibility:** Specifically designed for E27 base bulbs.
- **Color:** Black finish, providing a discreet and professional look.
- **Connection Type:** Screw-in, facilitating quick and secure installation.
- **Material:** Made of high-quality materials that guarantee strength and durability.
- **Washer Included:** Provides additional support for lampshades, ensuring stability and correct alignment.
- **Usage:** Suitable for both indoor and outdoor applications, depending on the additional weather protection.
- **Standard Dimensions:** Compatible with most light fixtures and lampshades available on the market.
- **Safety:** Complies with current electrical safety regulations, ensuring safe and reliable use.
