Description

The 97cm double insulated door under-door seal in black is a practical and efficient solution for improving the insulation of any space. Designed to adapt to different needs, this product offers an effective barrier against dust, drafts, and small animals such as cockroaches, ensuring a cleaner and more comfortable environment. Its PVC construction guarantees durability and resistance, while its adjustable design allows it to be adapted to the desired size, facilitating installation on various doors. Furthermore, its surface is easy to clean, which helps maintain a hygienic environment without complications.
