The 32cm round deep tin is an essential tool for any kitchen looking for consistent, quality results when preparing cakes and other baked goods. Designed for durability and efficiency, this mold combines high-quality materials with a functional design that makes it easy to use and maintain.

- **Material:** Made of aluminum, a material known for its lightness and resistance, which ensures a long lifespan of the product.
- **Color:** Gray, a neutral tone that adapts to any kitchen style.
- **Coating:** It has a high-quality non-stick and anti-scratch coating, which allows food to be easily unmolded without sticking and keeps the mold in optimal condition for longer.
- **Resistance:** Designed to resist deformation, even at high temperatures, ensuring that the mold maintains its original shape after multiple uses.
- **Heat conduction:** It offers excellent heat conduction, which provides even browning of food, ensuring uniform cooking results.
- **Maintenance:** Dishwasher safe, making cleaning and daily maintenance easy.
- **Easy cleaning:** Thanks to its non-stick coating, manual cleaning is also simple and quick.
- **Availability:** This mold is available in ten different sizes, offering options for a variety of baking needs.
