### Description

The 28cm shallow round baking tin is an essential tool for those looking for high-quality, even baking results. Designed for durability and efficiency, this mold combines top-quality materials with a functional design that makes it easy to use in everyday cooking.

- Material: Aluminum, known for its lightness and strength, ensuring comfortable handling and a long lifespan.
- Color: Gray, which gives any kitchen a modern and elegant look.
- Coating: High-quality non-stick and anti-scratch coating, composed of 7 layers, which ensures that food does not stick and the mold remains in optimal condition for longer.
- Resistance: Designed to resist deformation, even with frequent use and at high temperatures.
- Heat conduction: Excellent, allowing even browning of food, improving the final result of your recipes.
- Maintenance: Dishwasher safe, which facilitates cleaning and daily maintenance.
- Availability: Offered in two sizes, adapting to different needs of cooking.
