**Plastic umbrella spike 42cm,
LOGUI.**

Brand: LOGUI

Reference: GIB 001501

This 42cm ABS plastic spike is designed to provide a firm and stable hold for umbrellas in the sand. Its sturdy construction and spiral tip ensure effective anchoring, while the integrated handle allows for easy installation, ideal for enjoying time outdoors.

[View product online](#)**Description**

The 42cm plastic umbrella spike is a support designed to ensure the stability of umbrellas on sandy surfaces, such as beaches. Made of high-quality materials, this product offers a practical and durable solution to keep the umbrella in place, even in windy conditions.

- Material: ABS plastic, known for its strength and durability.
- Total length: 42 cm, providing an adequate depth for a secure hold.
- Design: Built-in handle that makes it easy to insert into the sand, allowing simple and comfortable handling.
- Durability: High quality with strong resistance, ensuring prolonged use without deterioration.
- Tip: Spiral design that guarantees a firm fixation in the ground, preventing unwanted movement.
