Description

The Square Grater with Container is a kitchen tool designed to optimize food preparation. With a 1.5-liter capacity, this grater efficiently collects grated ingredients, preventing spills and making cleanup easier. Its compact, square design, measuring 23.5 cm x 18 cm x 5 cm, makes it ideal for both home and professional use. Made of high-quality stainless steel and durable plastic, this grater ensures long-lasting performance with every use. It also features a non-slip handle for a secure grip and a non-slip base for stability during grating. Its versatility allows you to grate a variety of foods, from cheeses to vegetables and fruits, adapting to the needs of each user.
