### Description

The 180cm white plastic-coated extendable clothesline is a practical and efficient solution for drying clothes in small spaces. Designed with an accordion-style system, this clothesline easily adapts to different environments, offering a versatile option for the home.

- Material: Made of steel with an epoxy resin finish, providing greater durability and corrosion resistance.
- Dimensions: Width 80cm. Measurements when open: 78cm; closed: 13.5 cm.
- Load capacity: Supports up to 20 kg of clothing, allowing multiple garments to dry at the same time.
- Design: Its extendable accordion-style structure allows significant space savings, ideal for installation on patio or bathroom walls.
- Finish: 0.5 mm anti-corrosive plastic coating, more resistant to inclement weather compared to epoxy painted finishes.
