Description

The ZAS baited rat trap is an effective and safe solution for rodent control in a variety of environments. Designed for optimal performance, this clamp trap is equipped with a permanent bait that facilitates immediate use without the need for additional preparation. Its robust and functional design guarantees efficient capture, minimizing the risk of direct contact with the rodent.

- Permanently baited clamp trap: ready to use without the need for refills or pre-setting.
- Poison-free: offers a safe alternative for pest control, avoiding the use of toxic substances.
- Safe handling: It is recommended to handle with caution to avoid accidents during placement or removal.
- Dimensions: 13.5 cm long x 8 cm wide, allowing it to be placed in small and hard-to-reach spaces.
