Description

The 15-meter, 9-function spiral hose kit with a spray gun is a practical and efficient solution for watering terraces and green areas. Designed for durability and ease of use, this kit combines high-quality materials with a functional design that makes it easy to handle and store.

- **Hose Length:** 15 meters, ideal for covering large irrigation areas.
- **Coiled Design:** The hose retracts automatically, preventing tangles and making it easy to store.
- **Durable Material:** Made to withstand impacts and adverse weather conditions, ensuring a long lifespan.
- **Flexibility:** Lightweight and flexible, allowing for comfortable and effortless handling.
- **Non-toxic Properties:** Materials that are safe for the environment and the user.
- **Universal Connection:** Compatible with most irrigation systems thanks to its 1/2" - 3/4" threaded tap connector.
- **Gun Multifunction:** Includes a gun with 9 different watering patterns, adapting to various watering needs.
- **Automatic connectors:** Includes automatic connectors, one of them with an Aquastop system to prevent water leaks.

This kit is a versatile and reliable option for those looking for an efficient and easy-to-use watering solution. With its spiral design and high-quality materials, it provides a comfortable and hassle-free watering experience.
