Description

This leaf skimmer is an essential accessory for keeping your pool surface clean. Its practical and functional design makes it a reliable tool for regular pool maintenance.

- Compatibility: Designed for use with Ø32 mm poles, ensuring a stable and secure connection.
- Material: Made of durable plastic, ensuring a long life and resistance to outdoor conditions.
- Mesh: Incorporates a woven mesh made of high-strength polyethylene, providing durability and effectiveness in capturing leaves and other debris.
- Fastening system: Equipped with an adaptable clip that allows for quick and easy attachment to the pole using a wing nut.
