Description

The Tolsen work jacket, in size L, is designed to offer comfort and functionality in demanding work environments. Made from a blend of polyester and cotton, this garment combines durability and comfort, adapting to the needs of professionals who require durable and practical clothing.

- Material: 80% Polyester and 20% Cotton, providing an optimal combination of strength and comfort.
- Two chest pockets with flaps, ideal for safely storing personal items.
- Two pen loops on the chest, facilitating quick access to writing tools.
- Two deep front patch pockets, offering additional storage space.
- Elasticated cuffs ensure a comfortable fit and prevent the entry of dust or dirt.
- Adjustable hem with two button positions on each side, allowing a personalized fit.
- Piping detail on the front and back with reflective materials, improving visibility in low light conditions.
- Full front zip closure with three hook and loop fasteners positions, ensuring a firm and adaptable closure.
- Special pockets for construction accessories, designed to keep tools and equipment within reach.
