Description

The Tolsen work jacket, in size S, is designed to offer comfort and functionality in demanding work environments. Made from a polyester and cotton blend, this garment combines durability and comfort, adapting to the needs of professionals who require durable yet practical clothing.

- Material: 80% polyester and 20% cotton, providing an optimal combination of strength and comfort.
- Two chest pockets with flaps, ideal for safely storing personal items.
- Two pen loops on the chest, facilitating quick access to writing instruments.
- Two deep front patch pockets, offering additional storage space.
- Elasticated cuffs ensure a comfortable fit and prevent the entry of dust or dirt.
- Adjustable hem with two button positions on each side, allowing a personalized fit.
- Piping detail on the front and back incorporating reflective materials, improving visibility in low light conditions.
- Full front zip closure with three hooks and positions, ensuring a firm and adaptable closure.
- Special pockets for construction accessories, designed to keep essential tools and equipment within reach.
