Description

The Tolsen 100-piece screwdriver set is designed for durability and efficiency in a wide variety of applications. Made from high-quality materials, this set provides the tools you need to complete precision work with ease and comfort.

- **Cr-V Material:** The screwdrivers are made from chrome vanadium steel, known for its strength and durability, ensuring optimal performance and a long lifespan.
- **Chrome Plating:** The chrome finish provides an extra layer of protection against corrosion, ensuring your tools maintain their appearance and functionality over time.
- **Comfortable Dual-Component Grip:** The ergonomic handle design, composed of two materials, offers a secure and comfortable grip, reducing fatigue during extended use.
- **Magnetic Tip with Black Finish:** The magnetic tips make it easier to manipulate screws, while the black finish improves visibility and accuracy on the job.
