Description

The 19-piece screwdriver set is an essential tool for any DIY or repair task. Designed for durability and precision, this set provides a wide variety of options to suit different screw types and applications. Each screwdriver is made from high-quality materials, ensuring optimal performance and a long lifespan.

- Bit Material: Chrome vanadium steel, offering corrosion resistance and durability.
- Ergonomic Handle: Designed to provide a comfortable and secure grip, reducing fatigue during extended use.
- Variety of Bits: Includes flat-head, Phillips, and Torx bits, suitable for a wide range of applications.
- Easy Identification: Each screwdriver is marked with its size and bit type for quick identification.
- Blade Lengths: Variety of lengths to access difficult spaces and perform tasks with precision.
- Packaging: Includes a plastic hanger for organized storage and easy access.
- Finish: Polished and chrome-plated surface for greater wear resistance.
- Compatibility: Suitable for use in household, automotive, and electronics.
