Description

The 44-piece screwdriver set is designed for durability and efficiency in a wide variety of applications. Each tool is made from high-quality materials, ensuring optimal performance and a long lifespan.

- **Cr-V Blade:** The blades are made from chrome vanadium steel, known for its strength and durability, ensuring extended use without significant wear.
- **Comfortable Dual-Component Grip:** The ergonomic handle design, composed of two materials, provides a secure and comfortable grip, reducing fatigue during prolonged use.
- **Magnetic Tip with Black Finish:** The magnetic tips make it easy to manipulate screws, ensuring a precise fit and preventing slippage. The black finish provides additional protection against corrosion.
- **Cr-V Material:** The entire set is made of chrome vanadium steel, which guarantees excellent resistance to corrosion and wear, keeping the tools in optimal condition.
- **Chrome Plating:** The chrome finish not only improves corrosion resistance, but also provides a professional appearance that is easy to clean.
