Description

The Tolsen 5-piece hex bit set is designed for durability and precision for jobs that require high-quality tools. Made from durable materials, these bits are a reliable choice for tasks that demand consistent, reliable performance.

- Material: S2 steel, known for its high strength and durability, ensuring a long tool life.
- Finish: Satin finish, providing a smooth, corrosion-resistant surface, making it easy to clean and maintain.
- Tips: Non-slip, designed to provide a firm, secure grip, minimizing the risk of slipping during use.
- Package Included: 5-piece set, offering a variety of sizes to suit different needs and applications.
