Description

TOLSEN's 3/8" drive socket, with a 19mm diameter, is designed for durability and precision in mechanical and maintenance applications. Made from high-quality materials, this tool is a reliable choice for professionals who demand consistent performance.

- **Material:** Made from 50BV30 steel, known for its strength and durability, and heat-treated to improve its performance and lifespan.
- **Regulations:** Complies with DIN3124 and ISO2725-1 standards, ensuring the tool conforms to international quality and safety specifications.
- **Driver:** Equipped with a 3/8" square drive compliant with DIN 3120 and ISO 1174 standards, ensuring a precise and secure fit in the corresponding applications.
- **Finish:** The polished surface with chrome finish not only provides a professional appearance, but also offers corrosion resistance and easy cleaning.
