Description

The L-handle is a tool designed to offer durability and efficiency in mechanical and maintenance work. Made with high-quality materials, this handle provides a secure and comfortable grip, making it easier to work in tight and hard-to-reach spaces.

- Material: Chrome vanadium steel (Cr-V), known for its strength and durability.
- Heat treatment: A process that improves the hardness and wear resistance of the material.
- Regulations: Manufactured in accordance with DIN3122, which guarantees its quality and reliability.
- Measurements: 1/2" x 260 mm, dimensions that allow optimal handling and versatility in various applications.
