Description

The Tolsen work trousers, in size M, are designed for durability and comfort in demanding work environments. Made from a polyester and cotton blend, these trousers combine strength and comfort, adapting to the needs of professionals who require robust and functional garments.

- Material: 80% polyester and 20% cotton, providing an optimal combination of strength and comfort.
- Durable Oxford fabric reinforcements on the knees, which increase the longevity of the trousers in high-wear areas.
- Triple stitching at points prone to tearing, ensuring greater durability in the most critical areas.
- Foam knee pad compatibility, offering additional protection for jobs that require kneeling.
- Zip closure, facilitating a secure and comfortable fit.
- Two extra-wide front patch pockets, providing additional space for tools and accessories.
- Two large, lined back pockets with flaps, offering secure storage for personal items.
- One side pocket with flap, ideal To store tools or small devices.
- Specific knee pad pockets, designed to improve functionality and comfort while working.
