Description

Tolsen's 220mm multifunction scissors are a versatile tool designed to meet a variety of household needs. With a robust and functional design, these scissors offer a wide range of applications that go beyond simple cutting, becoming an indispensable ally for everyday tasks.

- Stainless steel blades: Ensure durability and corrosion resistance, maintaining a precise edge for longer.
- Non-slip coating on the handles: Provides a secure and comfortable grip, even in wet conditions.
- Multifunction functionality: Includes scissors, razor, knife, nutcracker, wire cutters, sheet metal cutter, opener, scale remover, can opener, peeler, and flathead screwdriver.
- Detachable design: Allows the blades to be separated for easier cutting of vegetables or scaling of fish.
